and what have you

by BOB CRAIG

This week end is an important one for the people of Hamlin as both the County Livestock Show and the BCD's Annual Banquet are scheduled then. Both of these events should concern all the citizens of Hamlin.

The livestock show opens here Friday afternoon with the poultry judging and finishes up Saturday with the livestock show. Boys and girls from all over the County will be taking part in the show and it would be well for the townspeople to take a little time to offer these kids encouragement by going to the show.

The BCD banquet will be held Friday night in the High School Gymnasium and concerns every citizen of this city.

It would be well if everyone to get ready for some real bad weather since either of the two events scheduled here this week end appear to bring out the worst in old man winter. And with both set at the same time there is no telling how bad it might get.

We received the following letter this week from R. V. Smith of R. V. Smith Sales Co. of Austin.

Editor of the Hamlin Herald
Hamlin, Texas
Dear Sir:

Enclosed is a copy of a letter to your City Officials.

It appears to me the citizens of the city would be interested to read about the conduct of their fine Officials.

I hope you concur, and print it.

The Honorable Mayor
City Council
Chief of Police
Hamlin, Texas

Greetings Gentlemen:

On Wednesday, January 9, 1963, while my wife and I were flying our aircraft with a malfunctioning motor, and through a dust storm, we were forced to land at your airport. Just as we landed, one of your police officers, who realized we were in trouble, drove up to the strip.

Officer Cade introduced himself to us.

Then followed one of the finest examples of true civic endeavor, a man could possibly render. Officer Cade took us to the city and allowed us the use of a phone. He introduced us to one of your off duty dispatchers, (sorry I can't recall his name) they got us tools to repair the aircraft, weights to tie it down, helped in every way possible, and saw to it we got a room. We later had a very fine dinner at one of the nice restaurants.

Officer Cade told us of the merits of Hamlin and particularly we wish to comment on your fine hospital.

Officer Cade got up early the next morning, took us to the airport and saw us safely in the air.

All this Gentlemen, certainly reflects on you of the City Government in the highest degree.

My wife and I wish you all to know how very much we appreciate the treatment we received. We are looking forward to another visit to your fair city and to meet more of you fine people.

Sincerely yours,
R. V. Smith
Austin, Texas

This week's listing is as follows:
HAVE: 5 or 6 books S&H Green Stamps, NEED: Gold Bond Stamps. Call SP 4-1671.

Jones County Livestock Show Opens Here Friday

The judging of the Jones County Livestock Show will get underway here Friday afternoon about 2:30 p.m. when the capon and broilers will be judged at the former International Harvester building on East Lake Drive. Marvin Weber of Power Feed Company in Abilene will be the judge. He has been superintendent of the Taylor County and Abilene Regional shows for several years.

TUXEDO RESIDENT DIES THURS.

Mrs. C. P. Pritchard, former Tuxedo correspondent for the Hamlin Herald, died in the Stamford Memorial Hospital Thursday, January 10 at 3:30 p.m. following a five months illness. She had been a patient at the hospital for about 28 days.

Funeral services were held at the Tuxedo Baptist Church, of which she was a member, Saturday at 2 p.m. The Rev. John Wood, pastor, and the Rev. James Andrews of Sweetwater, were the officiating ministers. Burial was in the Fairview Cemetery at Tuxedo. Mrs. Pritchard, the former J. H. Jeannette Rivers, was born October 16, 1904, in Lamar County. She came to Tuxedo with her parents from Paris, Texas, in January, 1920. On December 4, 1920, she was married to C. P. Pritchard at Tuxedo. She was very active in church and community activities. She wrote the Tuxedo news in the Herald for about 2 years.

Survivors include the husband; three daughters, Mrs. H. M. Phillips Jr. and Mrs. R. C. Stevens, both of Tuxedo; and Mrs. Jerry Crowley of Bryan; two sons, Bill of Tuxedo and Ed of Abilene; 13 grandchildren; two sisters, Mrs. Ethel Rhoden of Denton and Mrs. Paul Galey of Hamlin; and one brother, George Rivers of Stamford.

Pallbearers were Don Apperson, Dovie McKenna, A. J. French, Karol French, Roy Williams and Tom Gilbreath.

SCREWWORM PROJECT IN GRAVE FINANCIAL PERIL, MAY STOP

The program to eradicate the costly screwworm from Texas is at this time in grave financial peril, according to Charlie Myatt, who is Jones County Animal Health Chairman and who heads up the local drive.

Total cost of this livestock industry-sponsored project to wipe out the \$100 million-a-year menace to livestock is

\$12,000,000.00 with producers pledged to provide \$3 million and state and local government \$3 million to be matched on a fifty-fifty basis with \$6 million from the federal government. Contributions from livestock producers are one million short of the \$3,000,000 quota required to achieve the objective to which all segments of our industry are dedicated.

In Jones County, says Myatt, our quota has been established at \$8,918.00 and as of this date, we have about \$6,500.00 collected. The County is over \$2,400.00 short of its established goal. The Chairman urges all livestock producers who possibly can do so to make a contribution to the special drive in January.

Contributions should be delivered to any of the banks in Jones County or to Charlie Myatt, Rt. 6, Abilene.

Resident's Mother Dies in Denton

Mrs. Hattie Price, 86, of Denton, mother of Ted Price of Hamlin, was buried at Denton, Wednesday, Jan. 9. She was a member of the Baptist Church and a member of the Eastern Star. She was survived by 10 children.

Mr. and Mrs. Price and Stone attended the funeral services.

Large Turnip

John Walker, who lives at Southwest Ave. D at Fourth Street, grew a purple top turnip in his yard which measured 19 inches in circumference. Walker was downtown last Wednesday and brought the huge vegetable into the Herald office.

Board of Community Development and the Stamford Chamber of Commerce.

T. C. Blankinship and Milburn Wink, local vocational agriculture teachers, are general superintendents of the show.

Other superintendents are: Elbert Payne, Doyle Ponder and Olin Amerson, beef cattle; L. C. Bonds, Jack Willingham, commercial calf; W. J. Kemp, Mac Reynolds, dairy cattle; John Kent Jones, E. J. Whaley, sheep; J. W. Pritchett, poultry; H. D. Linn, B. B. Reid, Bill Smith, H. S. Stovall, swine; Mrs. Ned Moore, B. V. Newberry and Robert Fowler are show secretaries.

Roy Thompson and the Hamlin Future Farmers of America Chapter are responsible for the building and grounds. The three sponsoring groups are the finance committee. The local FFA Chapter will operate the concessions.

Jones County FFA boys under the vocational agriculture teachers and 4-H Club members supervised by the Jones County Agricultural Agent are eligible to enter. Entries must be owned by exhibitors prior to Dec. 1, 1962.

WEST CENTRAL TEXAS AREA— JONES IN TOP FIVE OIL DEVELOPMENT COUNTIES

Though Jones County has suffered a decline in oil development activities common to all of the 22 counties in the West Central Texas area in recent years, the number of new discoveries in 1962 gave it a rating of 5th compared with 3rd ten years ago. The county ranked 8th in 1961.

Figures from the Railroad Commission reports indicate that Jones, with a total of seven discoveries wells the past year, continues to play an important role in maintaining

PIPERS DROP FIRST DIST. GAME TO ANSON

The Pipers dropped their district opener here Tuesday night with their arch-rival the Anson Tigers, 62-56. The Pipers fell behind ten points in the first quarter and never could overcome the Tiger lead.

John Sanders was high point man for the Tigers with 25 and Dennis Kelly led the Pipers with 18.

The Pipers opened their district play on a better note as they downed the Tigerettes 45-29. Barbara Lakey sank 21 points to lead the Pipers and Madelon Hunt was high for Anson with 10.

Other games in the opening round of district play saw Winters down Ballinger, 64-44; and Haskell down Stamford, 60-38.

The A and B boys and the A girls teams will journey to Ballinger Friday night and to Winters Tuesday night to continue their district play.

COMMISSIONERS GRANT ACROSS THE BOARD PAY INCREASE

In their first session of the new year, the Jones County Commissioners Court granted an across-the-board five per cent increase in salaries and signed a contract with a delinquent tax collector.

Meeting Wednesday, Jan. 2, new officers of the court were administered the oath of office by retiring county judge H. G. Andrews Jr. Leon Thurman of Anson is the new county judge. Tom Boyd of Stamford is the new commissioner of Precinct 2, and J. E. Touchstone started a new term as commissioner of Precinct 4.

The salary increase went to all elected officials plus employees of the county. Commissioner Boyd said total cost to the county would run about \$16,000 a year. Wage scale has been below the prevailing rates in the area it was pointed out.

Average pay for elected officials—sheriff, judge, attorney, clerks, etc., was \$450 per month.

third vice president; and Floyd (executive vice president of the Farmers and Merchants National Bank, treasurer.

Dr. Newman is a former pastor, former assistant to the president of Baylor University, and also was vice president of Baylor before going to Howard Payne as president in 1955. He is also recognized for his

work in the Democracy-In-Action program, which he started at Howard Payne. He was in Valley Forge Feb. 22, 1960 to accept an award made by The Freedoms Foundation at Valley Forge to Howard Payne for their participation in the Americanism program.

He also served as a member of the National committee for the White House Conference on children and youth and he also served as chairman of the Texas committee and headed the Texas delegation to Washington for Conference in 1960.

An outstanding speaker, Dr. Newman was here for the commencement exercises last spring to address the graduating class of 1962. He holds a B. A. degree from Baylor University, masters degree of theology and doctor of historical theology from the Southwestern Baptist Theological Seminary and an honorary doctor of divinity from Howard Payne College was presented to him in 1955.

The banquet is under the direction of Ed Croan, first vice president.

Tickets are now on sale by Committeemen Edgar Duncan, John D. Ferguson, Fred Smith, Curtis Dodd, Joe Ford and C. L. Howard. Tickets are \$2.50 per person.

The specifications call for a roof of built-up paper and tar supported by a 12 inch I beam, one center partition and the front of concrete tile blocks. The 32 x 52 building will be divided into two rooms which will probably be used for classrooms. The building formerly housed the metal shop department and a storage room.

Supt. C. F. Cook said this week that the insurance on the building and contents was \$4,500 which should cover the cost of restoring the building and damaged equipment.

SYLVESTER BUILDER GETS BID ON REBUILDING AG BUILDING

R. E. Douglass of Sylvester was given the bid for the rebuilding of the Vocational Agriculture Building at Hamlin High School at a meeting in the superintendent's office Monday evening. Douglass will work through Rockwell Bros. and Company lumber dealer. Work will begin in two weeks.

The bid for \$2887 will include the re-building of the

building, a center partition, and new front to the building which was heavily damaged by fire here Dec. 11. The existing three walls and floor will be used.

The specifications call for a roof of built-up paper and tar supported by a 12 inch I beam, one center partition and the front of concrete tile blocks. The 32 x 52 building will be divided into two rooms which will probably be used for classrooms. The building formerly housed the metal shop department and a storage room.

The front of the building will have an overhead garage type paneled door opening into each room. Two steel windows and transparent sky lights will also be placed for each room. A steel door will be placed in the room at the west end of the building.

Singing Sunday

The Jones-Fisher County Singing will be held Sunday at 2 p.m. in the Foursquare Gospel Church here. Everyone is invited to attend.

O. L. Cohorn, president of the singing group, said Monday that he was expecting a good number of outstanding singers to be here for the monthly songfest.

Fire Department Have Many Calls During Cold Spell

Extremely cold weather and fires seem to go together. At least this would be the opinion of the members of the local fire department as they were called out four times during the weekend when the temperature was well below the freezing mark.

Calls on Saturday included a grass fire at 9:15 on the lot in the 700 block on N. W. Ave. F. The call was cancelled as the fire was already extinguished. That evening at 7:10 p.m. a fire in some lint cotton caused minor damage at the Mid West Co-operative Oil Mill.

Sunday at 1:10 a.m. a fire in a car near the Blue Bonnet Cafe caused minor damage. The car belonged to Lewis Fin-cannon of N. W. Ave. H. The cause was apparently started by a leak in the fuel system. At 10:15 p.m. a grass fire was reported northeast of town near the Harold Nelson farm. The fire on the Santa Fe Railroad right-of-way was quickly extinguished.

Bill Harrison, president of the Hamlin Fire Department, said this week that a total of 72 alarms were answered during 1962 in the city limits. Of this figure 56 of the calls were for grass fires.

EXPANDED PROGRAM, POORER RESPONSE HURTS MOD FUND

The annual March of Dimes is not coming a bit too soon for the Jones County Foundation. The past year, with its more than usual number of polio cases, saw funds in the county treasury completely exhausted.

Hershel Kelly, of Stamford, chairman of the Jones County March of Dimes this year, said it was revealed at a meeting of officers of the county chapter last Friday that the organization had outstanding bills of \$1800—just about every dime that is in the treasury.

Kelly reminded that people have a misconception of need raised in the drive each year is falling off. "People think we have polio whipped so their response is not as generous as previously," Kelly said.

"What they are overlooking is that the National Foundation has broadened the scope

of its activities and now includes many other crippling diseases."

Total raised in the county drive in 1962 was \$3750 while the previous year the total reached \$4500. This money is divided three ways: 25 percent of the total going to research, the remainder split equally between the National Foundation and the County Chapter.

Kelly said that cost of hospitalization in a polio case runs more than \$25 a day, plus special nurses which often are needed. "We paid for special nurses for 27 days last year for two Stamford patients. The parents had insurance which took care of part of the hospital bill but the county chapter paid the balance."

He recalled, too, that several other non-polio crippled patients in the county receive help from the chapter.

BASKETBALL TEAMS EXPRESS THANKS TO FANS FOR HELP

The Hamlin basketball teams have gotten off to a good start in 1963. We feel our success has been due largely to the outstanding support you, the public, have given us. We wish to take this opportunity to say a big Texas "Thank You" to each of our fans.

Now for a few statistics. On January 3, the B-team boys and A-team girls played Paint Creek at Hamlin. The B-team lost the game 37-48. Dennis Kelly was high pointer for Hamlin with 13 points. The A-team girls came out on top with a score of 47 to 40. Barbara Lakey was top scorer with 24 points.

The Pipers traveled to Stamford Jan. 3 and were defeated by Aspermont 86 to 63. However, on Friday the 4th, they won the right to play for Consolation by defeating Baird 60 to 59. On Saturday night, the Pipers won the Consolation bracket over Avoca 64 to 54. Mike Shivers was placed on the all tournament team. Congratulations, Mike.

January 8 carried the high school team to Clyde. The B-team came out on top with a score of 41 to 40.

The Pipers won their eleventh game of the season with a score of 39 to 33. Cheryl Brown was high scorer with 14 points.

The Pipers had a little tough luck at the end of the game and were defeated 53 to 52. Dennis Kelly was high pointer for this game with 20 points.

On January 10, Old Glory arrived at the Piper gym only to be defeated 45 to 36 in the A-girls game. Billy Blankinship was high scorer with 22 points. The B-boys game ended with a victory score of 47 to 30. Robert Pierce scored 21 points.

There was an extra treat for basketball spectators on this night as the B-team girls played the Aspermont B-team girls. However, the score showed a victory for Aspermont, 27-15. Judy Cade scored 9 points for Hamlin.

Last Friday night the Pipers traveled to Colorado City. They returned with a victory for both teams. The B-team won 56-27. Larry Butler was high man with 11 points.

The Pipers score was 48-42 with the Pipers on top. Van Newberry scored 16 points.

The number of emergency permits issued annually in Texas has increased from 1,121 in 1955-56 to 7,099 in 1961-62.

A Radiant CLEAN LIFE

The housewife cleans her home until it shines with a radiance that gives contentment and joy to those who view it.

It pleases God to see our lives clean and wholesome. We all need help, to keep our lives clean. David prayed to God for help in this matter. "Create in me a clean heart, O God; and renew a right spirit within me."

Lean upon the Lord. Seek his help and he will not deny it. Attend church this Sunday and let your life be centered in the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Literary Club To be Guests of Study Club Friday

Members of the Women's Literary Club will be guests of the Fifty-Two Study Club Friday at 3 p.m. in the home of Mrs. E. J. Hawkins. "Avenue To Progress" will be the topic of the Guest Day program.

Mrs. A. T. Carleton, president of the Texas Federation of Women's Clubs, special guest will speak along the lines of "Federation Challenge to the Future."

The Mesquite District president, Mrs. R. W. Herren of Haskell, will also be a special guest and will introduce the speaker.

Mrs. Hawkins will be assisted by Mrs. Irvy Weaver, chairman of the hospitality committee, Mrs. Andy French, Mrs. Jack Vaughan and Mrs. John Steele.

Mrs. George Poe Gives Program for Ki Gamma Pi

Mrs. George Poe presented a program on "Hobbies and Entertaining" at a meeting of the Ki Gamma Pi Chapter of the Beta Sigma Phi Sorority held in the home of Mrs. Jerry F. Aggoner Thursday, January 10.

During the business portion of the meeting presided over by Mrs. C. Weldon Griggs, president, Mrs. John C. Bryant, local recording secretary, received national recognition for her year's work.

Mrs. W. A. Castle, program director introduced Mrs. Poe who showed examples of rock, shell and coin collecting. Mrs. Bryant displayed a doll collection; Mrs. Griggs presented examples of art as a hobby; and Mrs. Waggoner showed children's art hobbies.

Other members present were Mrs. Cliff Reynolds Jr., Bill Cogan, Holly Toler, Gerald Young, M. L. Smith, Wesley Nail and E. D. Perrin.

The Jolly Blue Bird Group of the Camp Fire Girls visited the local plant of the Southwestern Bell Telephone Co. at

their last meeting. Melvin Scott took the group on a tour of the building and explained the equipment.

The girls making the tour were Vickie Harrison, Donna Croan, Latrese Williams, Donna Hallmark, Georgia Morgan, Terry Gregory, Mary Dell Jenkins, Ivie Harper, Yvonne Castle, Jean Ferguson and Mary Harris. Others who went were Mrs. Ed Croan and Mrs. W. W. Morgan, leaders and Deanne Croan.

Harrell Family Honored with Party Saturday Evening

Rev. and Mrs. T. M. Harrell and son, Don, were honored with a "going-away" supper on Saturday evening in the new educational building of the North Central Baptist Church.

Gifts were presented to the Harrell family, who will be moving this week to Kennedale where Rev. Harrell will begin his new pastorate. He has been pastor of the North Central Baptist Church for the past four years.

Those attending were Mr. and Mrs. J. C. Foster, Mr. and Mrs. Floyd Wallace and David, Mr. and Mrs. Eddie B. Hopper and Jane, Mr. and Mrs. Joe Castle, Carol and Yvonne, Mr. and Mrs. J. W. Graham, Terry and Joel, Mr. and Mrs. Kenneth Leverett, Mr. and Mrs. T. J. May, Mr. and Mrs. Roy Embrey and Barbara, Pete Patterson, Robert Carvill, Delmar and Nora Belle Hill.

How Ford spent \$100 million to give you more quality for your money

The Ford Motor Company spent \$100 million in the past two years alone to bring you a combination of quality features found in no other cars. And here's how Ford quality pays off for you... whether you drive the big Super Torque Ford, the middleweight Fairlane, or the fun-filled compact Falcon!

FALCON—AMERICA'S ALL-TIME ECONOMY CHAMP!

FAIRLANE—HOT NEW MIDDLEWEIGHT!

SUPER TORQUE FORD—FEELS LIKE THUNDERBOLT!

Superior ride and performance. For example, \$10 million was poured into the development of the Super Torque Ford's incredibly smooth new ride. Additional millions went to design 6- and 8-cylinder engines that let you choose sensational performance or sparing gas economy... all with minimum maintenance.

More care-free driving. Millions more were spent to perfect Ford's twice-a-year or 6,000-mile maintenance features... now in all Fords and Falcons*. You save time and money. Example: you roll 36,000 miles between major chassis lube!

Greater safety. Brakes adjust themselves when necessary. Roofs are reinforced. Doors have safety locks.

Added luxury. Richer, longer lasting upholstery. Carpeting that wears up to twice as long as in some cars. Improved insulation insures a quieter ride.

Smarter styling. Ford's Thunderbird-inspired lines have set the trend that the whole industry now follows!

Greater resale value. From the big, important items like specially galvanized vital underbody parts and long-life batteries... to the "tremendous trifles" such as extended-life light bulbs and stainless steel exterior screws... your Ford or Falcon will stand up better over the years. Will be worth more when time comes to trade.

And don't forget—Ford Dealers are quality dealers! We want to keep you happy after you buy... and this is your finest guarantee of value!

*Excludes Falcon Station Wagon and Club Wagon

It is no secret that the cotton crop was not what it first promised, that the harvest ran late and that fall business was not what we thought it would be. We bought heavy, expecting a normal season. Now we find our store full of fall and winter items that must be moved out to make room for fast arriving spring merchandise. We know only one way to do this—cut prices to the bone. This we have done. We lose but you gain. You can be assured of the quality—it is the same as you have found in our store in past years. Buy with confidence, buy at tremendous savings.

Georgia Ann Rabjohn and Bobby Roy Ellison were married in Seymour Wednesday, Jan. 16, at 10:30 a.m. in the Seymour Baptist Church with the pastor, the Rev. Carl Wright, officiating for the double ring ceremony.

Members of the immediate families were present. The bride is the daughter of Mr. and Mrs. G. H. Rabjohn, 350 West Lake Drive, and the bridegroom is the son of Mr. and Mrs. L. N. Ellison of Rt. 1, Hamlin.

The bride wore a three piece ensemble of winter white brocade satin designed with box jacket with three quarter length sleeves and high round neck. The front of the jacket was closed with three ivory buttons. Her matching skirt was designed on slim lines and an underblouse of winter white wool jersey with mandarin collar completed the ensemble. She wore white short gloves and an orchid corsage.

For a wedding trip to Ruidoso, New Mexico, the bride chose a two piece suit of beige wool crepe with beige Pattina bag and shoes and taupe accessories. The couple will be at home after Jan. 21 in Arlington where he is employed with Rython Electronics.

The bride, a graduate of Hamlin High School, attended Texas Technological College in Lubbock one year and was employed by Hamlin Hospital Management, Inc. until Jan. 14. In high school she was a member of the National Honor Society, Student Council and was Homecoming Queen. Ellison also a Hamlin High School graduate, attended the University of Southern California and was trained with Rython Electronics while in the Marine Corps.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Since all you have heard from the news commentators the past few days that the big news is the weather, we had just as well repeat it too and say that is most of our news this week. The coldest spell of the season blew in Friday and most of us have spent our time trying to keep warm. No precipitation has fallen, which made it better on the live stock, although some snow flurries did fall Saturday morning, but soon disappeared, where to, we couldn't say, for they certainly didn't melt.

Considering the frigid weather, the attendance at church Sunday wasn't bad, but the stoves were lighted Saturday night in order for the house to be warm enough Sunday morning.

In spite of the cold weather, the pastor and family are moving this Monday morning from Tye to Rotan. Some of the men took their pickups and a truck to move the household goods and even some of the women went along to aid and perhaps help with the moving. The Lewis will live in Rotan, where he will be employed at the Home Lumber Co.

Mrs. Roy Watts visited with Mrs. Flavil Holmes Wednesday afternoon.

Mr. and Mrs. Woodrow Goodwin and Linda, ate dinner with Mr. and Mrs. Elmer Joiner on Sunday.

Sunday afternoon, Mr. and Mrs. Archie Hogan of Spur were visiting relatives in this vicinity and found her brother, Woodrow and family, at the Joiners, where they visited a while. Mr. and Mrs. Hogan were braving the cold weather to try out a new Fairlane Ford.

Mr. and Mrs. Fred Rosenbaum had his nephew, Mr. and Mrs. Nolan Sullivan of Ench and their daughter, Mrs. Lorenna Blanton of Lubbock, to spend the night with them Saturday night. Sunday they all spent the day with the Thomas Moss family of Anson. They were celebrating their 50th anniversary, with just the relatives attending.

Rev. and Mrs. Derrel Lewis, Ricky, D. J. and Cathy ate lunch with the Winsen Grays Sunday. After lunch they went to Rotan to see where the Lewis family will live over there. They reported finding the house "up in the air," but it will be let down before their household goods arrive Monday. They will be stored in a portion of the house until the repairs are finished and the family will stay with his parents, Mr. and Mrs. Johnny Lewis, in Hamlin. The reason for their early moving is that their house in Tye sold with the understanding they would give possession the 15th, and that date is pressing them.

Our condolences go to the family of Mrs. Pritchard, who passed away recently, and was the former correspondent from Tuxedo.

Mr. and Mrs. Mel Jones went to Stamford again Sunday afternoon to visit his brother, Newman Jones, to see Mr. Wainwright.

Mr. Wainwright is still in the hospital and seemed to be some better Sunday afternoon.

Mrs. Elmer Joiner attended the first meeting of the Friendship Home Demonstration Club Friday afternoon at the Oil Mill Guest House.

A telephone call from Mrs.

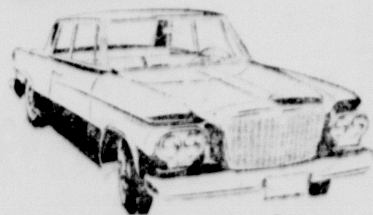

Glenda Jameson Enters Stock Show

FT. WORTH—Glenda Jameson of Hamlin, Texas, will have a Hereford carcass steer in competition at the 1963 Fort Worth Stock Show, January 25 through February 3. Livestock Superintendent W. A. (Bill) King has reported.

The nation's oldest major livestock show will present approximately 10,000 head of livestock, including 12 breeds of cattle, 10 breeds of sheep and eight of swine.

Norma Jean Morgan, who has been in Baylor Hospital almost two months, was able to leave the hospital the first of the new year and was carried to Carlsbad. As soon as she is able to go, the father will come from Green River, Wyoming, for his family, which should be a happy reunion. Mrs. Dixon also had major surgery two weeks ago in Carlsbad, but is recovering nicely and she and Mr. Dixon hope to return to their home in Parlier, California, as soon as she can travel. This will end a long period of almost unbelievable stress and strain on the whole family. As everyone knows, Mr. Dixon is a brother of Mrs. Joiners and Mrs. Goodwin.

HEIDENHEIMER'S

By OMAR BURLESON

Washington, D. C. — What has been referred to as the greatest show on earth opened in Washington last week. The curtain rose on the first Act, which was a change in the Rules Committee. Unlike this main feature of two years ago, the main attractions were the side shows instead of that performed under the main tent.

Since this first act was an important one of many which will be coming along during the Session, political writers are diagnosing its meaning. They are seemingly more clear on the significance of last fall's elections than they have been since November, taking their cues from this first Act.

The first noticeable result was the defection of a great number of Republican to the Administration and the Democratic Leadership. Prior to the vote on the Rules change, a sizeable group of younger Republicans had also defected from their leaders to a position more nearly to that of the Democratic Leadership.

In addition to this situation on the Republican side, only 48 Democrats voted against increasing the size of the Rules Committee, in comparison to 64 in 1961. This added up to a majority of 39 for the Rules change, as compared to it having carried by only 5 votes two years ago.

Various significances on this action are being pointed out by the political writers. The opinion of a majority of observers seems to be that there is a decline among the Southern Democrats for the support of the so-called conservative coalition. The action of the Republicans against their present leadership seems to imply, in the opinion of many, a rejection of Southern leaning Republican strategy of winning elections in the deep South. In other words, the result of the action on the Rules fight indicates to some that the coalition between the Southern Conservative Democrats and the Conservative Republicans is greatly weakened, if not at an end. This supposedly bears out what Georgia's Senator Herman Talmadge has long predicted. He has had the feeling that important Republican advances in the South would drive the average Southern Democrat office-seeker to abandon his conservative posture and to make a stronger show of Party loyalty and of supporting the Administration. Some of the political analysts see this prediction fulfilled in last week's opening show.

There are, however, many other acts to follow, and with many Members of Congress, they subscribe to the proposition that "each tub should sit on its own bottom." When it

is time to cast their vote, they are going to react to their basic philosophies and those of the people whom they represent. To be effective, however, requires a great deal more than a simple vote or a single speech on a piece of legislation. It requires organized and concerted effort on the part of those of like opinion, and it must be done before final action is called for if success is to be the result.

1963 RAMBLER WINS "CAR OF THE YEAR" AWARD

from Motor Trend Magazine

Each year the automobile industry eagerly awaits the selection of one car as "Car of the Year" by Motor Trends impartial experts. For 1963, this most-wanted, hardest-to-get honor goes to Rambler...for outstanding design achievement and engineering leadership. Read why Rambler won this prized award over all other cars.

Here are some of the experts' reasons:

"New styling is based on lean, clean lines that are apparent from almost any angle."

"Motor Trend's Cars of the Year prove their mettle in actual testing, confirm their engineering excellence, reliability, sturdiness and performance."

"Quality has always been one of American Motors' largest selling points."

"In unitized bodies, which American Motors pioneered, this latest design represents a real advancement...biggest single reason we chose Rambler Car of the Year."

"This new construction method results in a unit so strong it'll take punishment longer and naturally hold its resale value."

"The interiors of both the Classic and Ambassador are roomy and comfortable...offer plenty of legroom."

"A good safety device. Self-adjusting brakes and dual master cylinders...if one system fails, the other brings the car to a safe stop."

"Trunk is large. Low loading lip makes it simple to load."

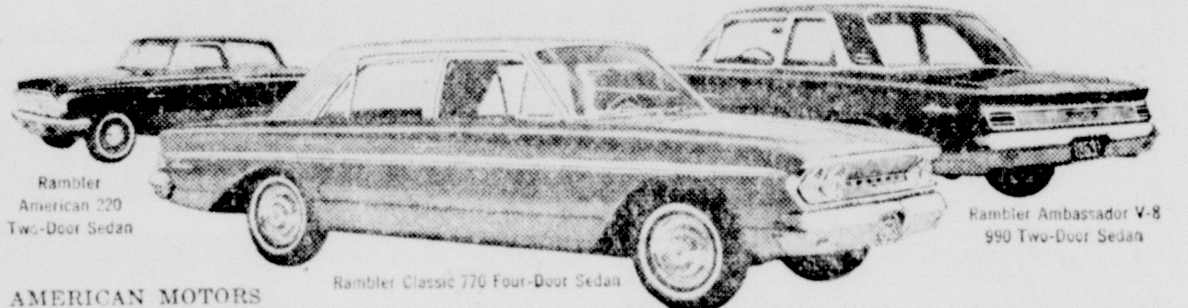

"Our Classic...with the rugged, ohv in-line Six...gave a high of 26.7 mpg highway cruising...mixed city and freeway gave 23.4."

"A sportier, more performance-oriented vehicle, the Ambassador V-8 should satisfy the wants of the Rambler buyer who favors performance."

"There isn't any pitch or chopiness noticeable even on rough roads."

"Summing up...it looks like the new Rambler will be an even better buy than it has been in previous years."

Why don't you look at the 1963 Rambler? Best-selling Rambler ever built!

SIMPSON'S FINE FOODS

News and Views . . .

and what have you

by BOB CRAIG

This week end is an important one for the people of Hamlin as both the County Livestock Show and the BCD's Annual Banquet are scheduled then. Both of these events should concern all the citizens of Hamlin.

The livestock show opens here Friday afternoon with the poultry judging and finishes up Saturday with the livestock show. Boys and girls from all over the County will be taking part in the show and it would be well for the townspeople to take a little time to offer these kids encouragement by going to the show.

The BCD banquet will be held Friday night in the High School Gymnasium and concerns every citizen of this city.

It would be well if everyone to get ready for some real bad weather since either of the two events scheduled here this week end appear to bring out the worst in old man winter. And with both set at the same time there is no telling how bad it might get.

We received the following letter this week from R. V. Smith of R. V. Smith Sales Co. of Austin.

Editor of the Hamlin Herald
Hamlin, Texas
Dear Sir:

Enclosed is a copy of a letter to your City Officials.

It appears to me the citizens of the city would be interested to read about the conduct of their fine Officials.

I hope you concur, and print it.

The Honorable Mayor
City Council
Chief of Police
Hamlin, Texas

Greetings Gentlemen:
On Wednesday, January 9, 1963, while my wife and I were flying our aircraft with a malfunctioning motor, and through a dust storm, we were forced to land at your airport. Just as we landed, one of your police officers, who realized we were in trouble, drove up to the strip.

Officer Cade introduced himself to us.

Then followed one of the finest examples of true civic endeavor, a man could possibly render. Officer Cade took us to the city and allowed us the use of a phone. He introduced us to one of your off duty dispatchers, (sorry I can't recall his name) they got us tools to repair the aircraft weights to tie it down, helped in every way possible, and saw to it we got a room. We later had a very fine dinner at one of the nice restaurants.

Officer Cade told us of the merits of Hamlin and particularly we wish to comment on your fine hospital.

Officer Cade got up early the next morning, took us to the airport and saw us safely in the air.

All this Gentlemen, certainly reflects on you of the City Government in the highest degree.

My wife and I wish you all to know how very much we appreciate the treatment we received. We are looking forward to another visit to your fair city and to meet more of you fine people.

Sincerely yours,
R. V. Smith
Austin, Texas

A stamp swap service is being started this week in Hamlin Herald. This will enable our subscribers to swap the stamp books that they have for a kind that they need.

Listings should be in the Herald by noon on Tuesday. There will be no charge for this service for subscribers. There will be a nominal charge for those who are not on our current mailing list. The number to call is SP 4-1676.

This week's listing is as follows:
HAVE: 5 or 6 books S&H Green Stamps. NEED: Gold Bond Stamps. Call SP 4-1671.

Jones County Livestock Show Opens Here Friday

The judging of the Jones County Livestock Show will get underway here Friday afternoon about 2:30 p.m. when the capon and broilers will be judged at the former International Harvester building on East Lake Drive. Marvin Weber of Power Feed Company in Abilene will be the judge. He has been superintendent of the Taylor County and Abilene Regional shows for several years.

TUXEDO RESIDENT DIES THURS.

Mrs. C. P. Pritchard, former Tuxedo correspondent for the Hamlin Herald, died in the Stamford Memorial Hospital Thursday, January 10 at 3:30 p.m. following a five months illness. She had been a patient at the hospital for about 28 days.

Funeral services were held at the Tuxedo Baptist Church, of which she was a member, Saturday at 2 p.m. The Rev. John Wood, pastor, and the Rev. James Andrews of Sweetwater, were the officiating ministers. Burial was in the Fairview Cemetery at Tuxedo.

Mrs. Pritchard, the former Johnnie Jeanette Rivers, was born October 16, 1904, in Lamar County. She came to Tuxedo with her parents from Paris, Texas, in January, 1920. On December 4, 1920, she was married to C. P. Pritchard at Tuxedo. She was very active in church and community activities. She wrote the Tuxedo news in the Herald for about 2 years.

Survivors include the husband; three daughters, Mrs. H. M. Phillips Jr. and Mrs. R. C. Stevens, both of Tuxedo, and Mrs. Jerry Crowley of Bryan; two sons, Bill of Tuxedo and Ed of Abilene; 13 grandchildren; two sisters, Mrs. Ethel Rhoden of Denton and Mrs. Paul Galey of Hamlin; and one brother, George Rivers of Stamford.

Pallbearers were Don Apperson, Doyle McKinnis, A. J. French, Karl French, Roy Williams and Tom Gilbreath.

SCREWORM PROJECT IN GRAVE FINANCIAL PERIL, MAY STOP

The program to eradicate the costly screwworm from Texas is at this time in grave financial peril, according to Charlie Myatt, who is Jones County Animal Health Chairman, and who heads up the local drive.

Total cost of this livestock industry-sponsored project to wipe out the \$100 million-a-year menace to livestock is

Judging in other departments will begin at 9:00 a.m. Saturday at the Hamlin Riding Club Arena. Max Stuart of Roby will judge the dairy cattle and sheep. A former sheep breeder now employed with the Highway Department, Stuart has judged here several years.

The beef cattle and swine entries will be judged by James Barr of Ballinger. A feed dealer, he holds a degree in animal husbandry from Texas Tech of Lubbock. He is a former member of the Stanley Anderson National Livestock judging team and former agriculture teacher at Winters.

A total of 316 entries have been turned in for the show with Hamlin having 88 of that number.

The site for the show which is held each year is rotated among the towns Anson, Stamford and Hamlin. It is sponsored jointly by the Anson Chamber of Commerce, Hamlin

MRS. SIMPSON DIES HERE FRI.

Mrs. William Simpson, 88, who had made her home here with a daughter, Mrs. C. W. Griggs, since 1951, died here Friday at 1:50 p.m. in the Hamlin Memorial Hospital following a heart attack.

The former Ida Estelle Tunnett, she was born April 16, 1874. She was married to William Simpson near Bridgeport and lived in Paradise for some time before moving to Bridgeport. Mr. Simpson died there in 1939.

Services were held at 2 p.m. Sunday in the First Methodist Church in Bridgeport where she was a member. Burial was in Bridgeport Cemetery. She was a member of the Eastern Star and a member of the King's Daughters Sunday School Class of the First Methodist Church here.

Survivors include three sons, Marvin of Bridgeport, Dave of San Antonio and Warren of Houston; two daughters, Teila Hinchey of Houston and Mrs. Griggs, junior, high teacher from five grandchildren; five great-grandchildren; three sisters and one brother.

Mrs. M. V. Nelson Of Sylvester Dies Wed. in Sweetwater

Funeral services for Mrs. Melissa V. Nelson, 85, long time resident of Sylvester, were held at 2:30 p.m. Thursday in the Sylvester Methodist Church. Officiating ministers were Paul Rogers, minister of the Sweetwater Church of Christ, and the Rev. Fred Brown, pastor of the Faith Methodist Church, Hamlin. Burial was in the Sylvester Cemetery.

Mrs. Nelson died at the home of her daughter, Mrs. Ethel Clark in Sweetwater at 8:45 a.m. Wednesday, January 9. She had been in ill health for about a year.

Mrs. Nelson was born January 13, 1877, in Mississippi, the daughter of the late Mr. and Mrs. Casser Lee. She was married to Thomas J. Nelson, August 25, 1891, in Dallas County. He died April 11, 1958.

Survivors include three sons, Jimmy of Sylvester, T. J. Jr. of Commerce and M. C. of Orange; two daughters, Mrs. Clark of Sweetwater and Mrs. Nannie Stevenson of Houston; one brother, Charlie Lee of Afton, Texas; one sister, Mrs. Cora Kelly of Quannah; 22 grandchildren and 40 great-grandchildren.

Resident's Mother Dies in Denton

Mrs. Hattie Price, 86, of Denton, mother of Ted Price of Hamlin, was buried at Denton, Wednesday, Jan. 9. She was a member of the Baptist Church and a member of the Eastern Star. She was survived by 10 children.

Mr. and Mrs. Price and Storie attended the funeral services.

John Walker, who lives at Southwest Ave. D at Fourth Street, grew a purple top turnip in his yard which measured 19 inches in circumference. Walker was downtown last Wednesday and brought the huge vegetable into the Herald office.

Board of Community Development and the Stamford Chamber of Commerce.

T. C. Blankinship and Milburn Wink, local vocational agriculture teachers, are general superintendents of the show.

Other superintendents are: Elbert Payne, Doyle Ponder and Olin Amerson, beef cattle; L. C. Bonds, Jack Willingham, commercial calf; W. J. Kemp, Mac Reynolds, dairy cattle; John Kent Jones, E. J. Whaley, sheep; J. W. Pritchett, poultry; H. D. Linn, B. B. Reid, Bill Smith, H. S. Stovall, swine; Mrs. Ned Moore, B. V. Newberry and Robert Fowler are show secretaries.

Roy Thompson and the Hamlin Future Farmers of America Chapter are responsible for the building and grounds. The three sponsoring groups are the finance committee. The local FFA Chapter will operate the concessions.

Jones County FFA boys under the vocational agriculture teachers and 4-H Club members supervised by the Jones County Agricultural Agent are eligible to enter. Entries must be owned by exhibitors prior to Dec. 1, 1962.

WEST CENTRAL TEXAS AREA—

JONES IN TOP FIVE OIL DEVELOPMENT COUNTIES

Though Jones County has suffered a decline in oil development activities common to all of the 22 counties in the West Central Texas area in recent years, the number of new discoveries in 1962 gave it a rating of 5th compared with 3rd ten years ago. The county ranked 8th in 1961.

Figures from the Railroad Commission reports indicate that Jones, with a total of seven discovery wells the past year, continues to play an important role in maintaining

Pallbearers were Clarence Butler, Jess Young, Bill Thompson, V. A. Hodges, Roy Brown and M. T. (Tom) Jones.

BCD to Hear Dr. Newman Friday

Guy D. Newman, president of Howard Payne College, Brownwood, will be the speaker for the annual banquet of the Hamlin Board of Community Development Friday evening at 7:30 p.m. in the Hamlin High School Gymnasium.

Joe E. Ford, assistant vice president of the Farmers and Merchants National Bank, will be the incoming president of the organization, succeeding Robert Fowler, manager of Moore Elevator. Other officers include Bob Craig, publisher of the Hamlin Herald, first vice president; Foxier, second vice president; James E. Rodgers, Certified Public Accountant.

PIPERS DROP FIRST DIST. GAME TO ANSON

The Pipers dropped their district opener here Tuesday night with their arch-rival the Anson Tigers, 62-56. The Pipers fell behind ten points in the first quarter and never could overcome the Tiger lead.

John Sanders was high point man for the Tigers with 25 and Dennis Kelly led the Pipers with 18.

The Piperettes opened their district play on a better note as they downed the Tigerettes 45-29. Barbara Lahey sunk 21 points to lead the Piperettes and Madelon Hunt was high for Anson with 10.

Other games in the opening round of district play saw Winters down Ballinger, 64-41, and Haskell down Stamford, 60-58.

The A and P boys and the A girls teams will journey to Ballinger Friday night and to Winters Tuesday night to continue their district play.

COMMISSIONERS GRANT ACROSS THE BOARD PAY INCREASE

In their first session of the new year, the Jones County Commissioners Court granted an across-the-board five per cent increase in salaries and signed a contract with a delinquent tax collector.

Meeting Wednesday, Jan. 2, new officers of the court were administered the oath of office by retiring county judge H. G. Andrews Jr. Leon Thurman of Anson is the new county judge. Tom Boyd of Stamford is the new commissioner of Precinct 2, and J. E. Touchstone started a new term as commissioner of Precinct 4.

The salary increase went to all elected officials plus employees of the county. Commissioner Boyd said total cost to the county would run about \$16,000 a year. Wage scale has been below the prevailing rates in the area it was pointed out.

Average pay for elected officials—sheriff, judge, attorney, clerks, etc., was \$450 per month.

EXPANDED PROGRAM, POORER RESPONSE HURTS MOD FUND

The annual March of Dimes is not coming a bit too soon for the Jones County Foundation. The past year, with its more than usual number of polio cases, saw funds in the county treasury completely exhausted.

Hershel Kelly, of Stamford, chairman of the Jones County March of Dimes this year, said it was revealed at a meeting of officers of the county chapter last Friday that the organization had outstanding bills of \$1800—just about every dime that is in the treasury.

Kelly reminded that people have a misconception of need raised in the drive each year is falling off. "People think we have polio whipped so their response is not as generous as previously," Kelly said. "What they are overlooking is that the National Foundation has broadened the scope

SYLVESTER BUILDER GETS BID ON REBUILDING AG BUILDING

R. E. Douglass of Sylvester was given the bid for the rebuilding of the Vocational Agriculture Building at Hamlin High School at a meeting in the superintendent's office Monday evening. Douglass will work through Rockwell Bros. and Company lumber dealer. Work will begin in two weeks.

The bid for \$2887 will include the rebuilding of the

work in the Democracy-In Action program, which he started at Howard Payne. He was in Valley Forge Feb. 22, 1960 to accept an award made by The Freedmen's Foundation at Valley Forge to Howard Payne for their participation in the Americanism program.

He also served as a member of the National committee for the White House Conference on children and youth and he also served as chairman of the Texas committee and headed the Texas delegation to Washington for Conference in 1960.

An outstanding speaker, Dr. Newman was here for the commencement exercises last spring to address the graduating class of 1962. He holds a B. A. degree from Baylor University, masters degree of theology and doctor of historical theology from the Southwestern Baptist Theological Seminary and an honorary doctor of divinity from Howard Payne College was presented to him in 1955.

The banquet is under the direction of Ed Croan, first vice president.

Tickets are now on sale by Committeesmen Edgar Duncan, John D. Ferguson, Fred Smith, Curtis Dodd, Joe Ford and C. L. Howard. Tickets are \$2.50 per person.

clude the rebuilding of the roof, a corner partition, and new front to the building which was heavily damaged by fire here Dec. 11. The existing three walls and floor will be used.

Supt. C. F. Cook said this week that the insurance on the building and contents was \$4,500 which should cover the cost of restoring the building and damaged equipment.

The specifications call for a roof of built-up paper and tar supported by a 12 inch I beam, one center partition and the front of concrete tile blocks. The 32 x 52 building will be divided into two rooms which will probably be used for classrooms. The building formerly housed the metal shop department and a storage room.

The front of the building will have an overhead garage type paneled door opening into each room. Two steel windows and transparent sky lights will also be placed for each room. A steel door will be placed in the room at the west end of the building.

Fire Department Have Many Calls During Cold Spell

Extremely cold weather and fires seem to go together. At least this would be the opinion of the members of the local fire department as they were called out four times during the weekend when the temperature was well below the freezing mark.

Calls on Saturday included a grass fire at 9:15 on the lot in the 700 block on N. W. Ave. F. The call was cancelled as the fire was already extinguished. That evening at 7:10 p.m. a fire in some lint cotton caused minor damage at the Mid West Cooperative Oil Mill.

Sunday at 1:10 a.m. a fire in a car near the Blue Bonnet Cafe caused minor damage. The car belonged to Lewis Finckman of N. W. Ave. H. The cause was apparently started by a leak in the fuel system. At 12:15 p.m. a grass fire was reported northeast of town near the Harold Nelson farm. The fire on the Santa Fe Railroad right-of-way was quickly extinguished.

Bill Harrison, president of the Hamlin Fire Department, said this week that a total of 72 alarms were answered during 1962 in the city limits. Of this figure 56 of the calls were for grass fires.

BASKETBALL TEAMS EXPRESS THANKS TO FANS FOR HELP

The Hamlin basketball teams have gotten off to a good start in 1963. We feel our success has been due largely to the outstanding support you, the public, have given us. We wish to take this opportunity to say a big "Thank You" to each of our fans.

Now for a few statistics. On January 3, the B-team boys and A-team girls played Paint Creek at Hamlin. The B-team lost the game 37-48. Dennis Kelly was high pointer for Hamlin with 13 points. The A-team girls came out on top, with a score of 47 to 40. Barbara Lahey was top scorer with 24 points.

The Pipers traveled to Stamford Jan. 3 and were defeated by Aspermont 86 to 63. However, on Friday the 4th, they won the right to play for Consolation by defeating Baird 60 to 59. On Saturday night, the Pipers won the Consolation bracket over Avoca 64 to 54. Mike Shivers was placed on the all tournament team. Congratulations, Mike.

January 8 carried the high school team to Clyde. The B-team came out on top with a score of 41 to 40.

The Pipers won their eleventh game of the season with a score of 39 to 33. Cheryl Brown was high scorer with 14 points.

The Pipers had a little tough luck at the end of the game and were defeated 53 to 52. Dennis Kelly was high pointer for this game with 20 points.

On January 10, Old Glory arrived at the Piper gym only to be defeated 45 to 36 in the A-girls game. Billye Blankinship was high scorer with 22 points. The B-boys game ended with a victory score of 47 to 30. Robert Pierce scored 21 points.

There was an extra treat for basketball spectators on this night as the B-team girls played the Aspermont B-team girls. However, the score showed a victory for Aspermont, 27-15. Judy Cade scored 9 points for Hamlin.

Last Friday night the Pipers traveled to Colorado City. They returned with a victory for both teams. The B-team won 56-27. Larry Butler was high man with 11 points.

The Pipers score was 48-42 with the Pipers on top. Van Newberry scored 16 points.

The number of emergency permits issued annually in Texas has increased from 1,121 in 1955-56 to 7,099 in 1961-62.

A Radiant CLEAN LIFE

The housewife cleans her home until it shines with a radiance that gives contentment and joy to those who view it.

It pleases God to see our lives clean and wholesome. We all need help, to keep our lives clean. David prayed to God for help in this matter. "Create in me a clean heart, O God; and renew a right spirit within me."

Lean upon the Lord. Seek his help and he will not deny it. Attend church this Sunday and let your life be centered in the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

How Ford spent \$100 million to give you more quality for your money

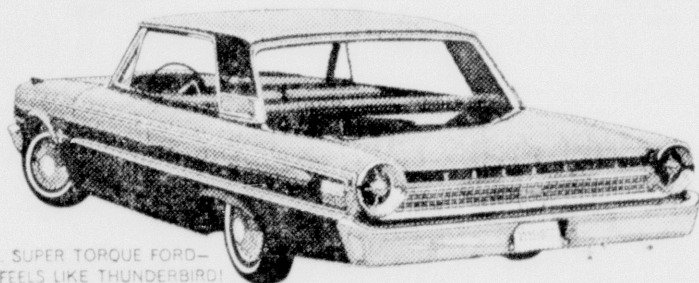

The Ford Motor Company spent \$100 million in the past two years alone to bring you a combination of quality features found in no other cars. And here's how Ford quality pays off for you...whether you drive the big Super Torque Ford, the middleweight Fairlane, or the fun-filled compact Falcon!

FALCON—AMERICA'S ALL-TIME ECONOMY CHAMP!

FAIRLANE—HOT NEW MIDDLEWEIGHT!

SUPER TORQUE FORD—FEELS LIKE THUNDERBIRD!

F.D.A.F.

Superior ride and performance. For example, \$10 million was poured into the development of the Super Torque Ford's incredibly smooth new ride. Additional millions went to design 6- and 8-cylinder engines that let you choose sensational performance or sparing gas economy...all with minimum maintenance.

More care-free driving. Millions more were spent to perfect Ford's twice-a-year or 6,000-mile maintenance features...now in all Fords and Falcons*. You save time and money. Example: you roll 36,000 miles between major chassis lube!

Greater safety. Brakes adjust themselves when necessary. Roofs are reinforced. Doors have safety locks.

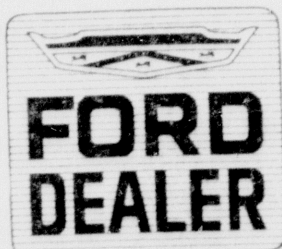

Added luxury. Richer, longer lasting upholstery. Carpeting that wears up to twice as long as in some cars. Improved insulation insures a quieter ride.

Smarter styling. Ford's Thunderbird-inspired lines have set the trend that the whole industry now follows!

Greater resale value. From the big, important items like specially galvanized vital underbody parts and long-life batteries...to the "tremendous trifles" such as extended-life light bulbs and stainless steel exterior screws...your Ford or Falcon will stand up better over the years. Will be worth more when time comes to trade.

And don't forget—Ford Dealers are quality dealers! We want to keep you happy after you buy...and this is your finest guarantee of value!

It is no secret that the cotton crop was not what it first promised, that the harvest ran late and that fall business was not what we thought it would be. We bought heavy, expecting a normal season. Now we find our store full of fall and winter items that must be moved out to make room for fast arriving spring merchandise. We know only one way to do this—cut prices to the bone. This we have done. We lose but you gain. You can be assured of the quality—it is the same as you have found in our store in past years. Buy with confidence, buy at tremendous savings.

RABJOHN-ELLISON VOWS READ IN SEYMOUR CHURCH WED.

Georgia Ann Rabjohn and Bobby Roy Ellison were married in Seymour Wednesday, Jan. 16, at 10:30 a.m. in the Seymour Baptist Church with the pastor, the Rev. Carl Wright, officiating for the double ring ceremony.

Members of the immediate families were present. The bride is the daughter of Mr. and Mrs. G. H. Rabjohn, 350 West Lake Drive, and the bridegroom is the son of Mr. and Mrs. L. N. Ellison of Rt. 1, Hamlin.

The bride wore a three piece ensemble of winter white brocade satin designed with box jacket with three quarter length sleeves and high round neck. The front of the jacket was closed with three ivory buttons. Her matching skirt was designed on slim lines and an underblouse of winter white wool jersey with mandarin collar completed the ensemble. She wore white short gloves and an orchid corsage.

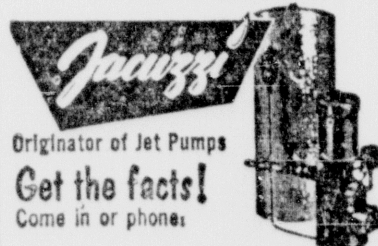

For a wedding trip to Ruidoso, New Mexico, the bride chose a two piece suit of beige wool crepe with beige Pattina bag and shoes and taupe accessories. The couple will be at home after Jan. 21 in Arlington where he is employed with Rython Electronics. The bride, a graduate of Hamlin High School, attended Texas Technological College in Lubbock one year and was employed by Hamlin Hospital Management, Inc. until Jan. 14. In high school she was a member of the National Honor Society, Student Council and was Homecoming Queen. Ellison also a Hamlin High School graduate, attended the University of Southern California and was trained with Rython Electronics while in the Marine Corps.

MR. AND MRS. YATES WIN BRIDGE MEET HERE

FAIRVIEW NEWS

By MRS. ELMER JOINER

Since all you have heard from the news commentators the past few days that the big news is the weather, we had just as well repeat it too and say that is most of our news this week. The coldest spell of the season blow in Friday and most of us have spent our time trying to keep warm. No precipitation has fallen, which made it better on the live stock, although some snow flurries did fall Saturday morning, but soon disappeared, where to, we couldn't say, for they certainly didn't melt.

Considering the frigid weather, the attendance at church Sunday wasn't bad, but the stoves were lighted Saturday night in order for the house to be warm enough Sunday morning.

In spite of the cold weather, the pastor and family are moving this Monday morning from Tye to Rotan. Some of the men took their pickups and a truck to move the household goods and even some of the women went along to aid and perhaps help with the moving. The Lewis will live in Rotan, where he will be employed at the Home Lumber Co.

Mrs. Roy Watts visited with Mrs. Flavil Holmes Wednesday afternoon.

Mr. and Mrs. Woodrow Goodwin and Linda, ate dinner with Mr. and Mrs. Elmer Joiner on Sunday.

Sunday afternoon, Mr. and Mrs. Archie Hogan of Spur were visiting relatives in this vicinity and found her brother, Woodrow and family, at the Joiners, where they visited a while. Mr. and Mrs. Hogan were braving the cold weather to try out a new Fairlane Ford.

Mr. and Mrs. Fred Rosenbaum had his nephew, Mr. and Mrs. Nolan Sullivan of Ench and their daughter, Mrs. Lorena Blanton of Lubbock, to spend the night with them Saturday night. Sunday they all spent the day with the Thomas Moss family of Anson. They were celebrating their 50th anniversary, with just the relatives attending.

Rev. and Mrs. Derrel Lewis, Ricky, D. J. and Cathy ate lunch with the Winsen Grays Sunday. After lunch they went to Rotan to see where the Lewis family will live over there. They reported finding the house "up in the air" but it will be let down before their household goods arrive Monday. They will be stored in a portion of the house until the repairs are finished and the family will stay with his parents, Mr. and Mrs. Johnny Lewis, in Hamlin. The reason for their early moving is that the house in Tye sold with the understanding they would give possession the 15th, and that date is pressing them.

Our condolences go to the family of Mrs. Pritchard, who passed away recently, and was the former correspondent from Tuxedo.

Mr. and Mrs. Mel Jones went to Stamford again Sunday afternoon to visit his brother, Newman Jones, to see Mr. Wainwright.

Mr. Wainwright is still in the hospital and seemed to be some better Sunday afternoon.

Mrs. Elmer Joiner attended the first meeting of the Friendship Home Demonstration Club Friday afternoon at the Old Mill Guest House.

USED CAR BARGAINS

T. E. Dixon of Carlsbad, New Mexico, reports that the little nine year old grand daughter,

Norma Jean Morgan, who has been in Baylor Hospital almost two months, was able to leave the hospital the first of the new year and was carried to Carlsbad. As soon as she is able to go, the father will come from Green River, Wyoming, for his family, which should be a happy reunion. Mrs. Dixon also had major surgery two weeks ago in Carlsbad, but is recovering nicely and she and Mr. Dixon hope to return to their home in Parlier, California, as soon as she can travel. Thus will end a long period of almost unbelievable stress and strain on the whole family. As everyone knows, Mr. Dixon is a brother of Mrs. Joiners and Mrs. Goodwin.

Washington, D. C. — What has been referred to as the greatest show on earth opened in Washington last week. The curtain rose on the first Act, which was a change in the Rules Committee. Unlike this main feature of two years ago, the main attractions were the side shows instead of that performed under the main tent. Since this first act was an important one of many which will be coming along during the Session, political writers are diagnosing its meaning. They are seemingly more clear on the significance of last fall's elections than they have been since November, taking their cues from this first Act.

The First noticeable result was the defection of a great number of Republican to the Administration and the Democratic Leadership. Prior to the vote on the Rules change, a sizeable group of younger Republicans had also defected from their leaders to a position more nearly to that of the Democratic Leadership.

In addition to this situation on the Republican side, only 48 Democrats voted against increasing the size of the Rules Committee, in comparison to 64 in 1961. This added up to a majority of 39 for the Rules change, as compared to it having carried by only 5 votes two years ago.

Various significances on this action are being pointed out by the political writers. The opinion of a majority of observers seems to be that there is a decline among the Southern Democrats for the support of the so-called conservative coalition. The action of the Republicans against their present leadership seems to imply in the opinion of many a rejection of Southern strategy of winning elections in the deep South. In other words, the result of the action on the Rules fight indicates to some that the coalition between the Southern Conservative Democrats and the Conservative Republicans is greatly weakened, if not at an end. This supposedly bears out what Georgia's Senator Herman Talmadge has long predicted. He has had the feeling that important Republican advances in the South would drive the average Southern Democrat office-seeker to abandon his conservative posture and to make a stronger show of Party loyalty and of supporting the Administration. Some of the political analysts see this prediction fulfilled in last week's opening show.

There are, however, many other acts to follow, and with many Members of Congress, they subscribe to the proposition that "each tub should sit on its own bottom." When it is time to cast their vote, they are going to react to their basic philosophies and those of the people whom they represent. To be effective, however, requires a great deal more than a simple vote or a single speech on a piece of legislation. It requires organized and concerted effort on the part of those of like opinion, and it must be done before final action is called for if success is to be the result.

1963 RAMBLER WINS
"CAR OF THE YEAR" AWARD

from Motor Trend Magazine

Each year the automobile industry eagerly awaits the selection of one car as "Car of the Year" by Motor Trend's impartial experts. For 1963, this most-wanted, hardest-to-get honor goes to Rambler...for outstanding design achievement and engineering leadership. Read why Rambler won this prized award over all other cars.

Here are some of the experts' reasons:

"New styling is based on lean, clean lines that are apparent from almost any angle."

"Motor Trend's Cars of the Year prove their mettle in actual testing, confirm their engineering excellence, reliability, sturdiness and performance."

"Quality has always been one of American Motors' largest selling points."

"In unitized bodies, which American Motors pioneered, this latest design represents a real advancement...biggest single reason we chose Rambler Car of the Year."

"This new construction method results in a unit so strong it'll take punishment longer and naturally hold its resale value."

"The interiors of both the Classic and Ambassador are roomy and comfortable...offer plenty of legroom."

"A good safety device. Self-adjusting brakes and dual master cylinders...if one system fails, the other brings the car to a safe stop."

"Trunk is large. Low loading lip makes it simple to load."

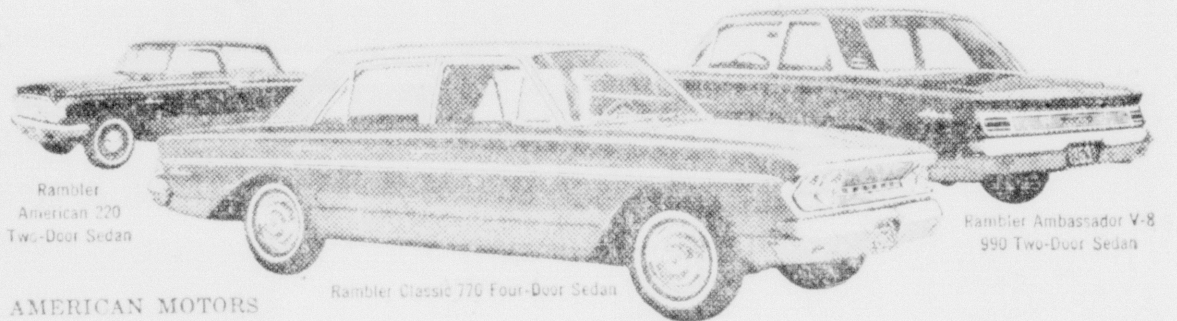

"Our Classic...with the rugged, ohv-in-line Six...gave a high of 26.7 mpg highway cruising...mixed city and freeway gave 23.4."

"A sportier, more performance-oriented vehicle, the Ambassador V-8 should satisfy the wants of the Rambler buyer who favors performance."

"There isn't any pitch or chopiness noticeable even on rough roads."

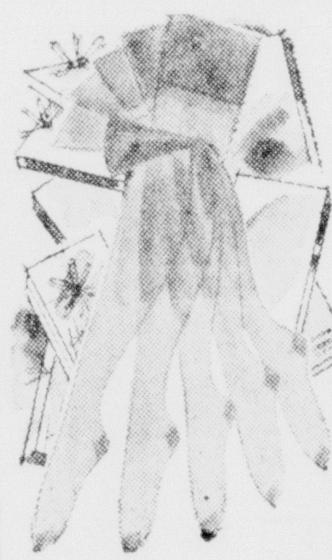

"Summing up...it looks like the new Rambler will be an even better buy than it has been in previous years."

Why don't you look at the 1963 Rambler? Best-selling Rambler ever built!
